

# 10<sup>th</sup> Annual NSCI Women's Seder Update

Celebrate our special Passover traditions at the 10<sup>th</sup> Annual NSCI Women's Seder on Monday, March 15, 2010 at 5:30 pm. We have created a joyous setting where old and new connections are made to Judaism—and to each other.

We have several opportunities for you to add your own touches to the 2010 Seder and share a sense of sisterhood before the event even begins.
