

Haitian Earthquake Disaster Relief

You can help by contributing to the “Jewish Federation Haitian Earthquake Relief Fund.” This will serve as a vehicle for members of our community to provide humanitarian aid to people affected by this disaster, and will be distributed on the ground through the JDC and IsraAID. The Jewish Federation will not deduct any administrative costs; 100% of proceeds will go directly to aid the victims. Donors can call a secured Hotline 312/444-2869 or go to http://juf.org/relief_fund/.

Dennis Heskel has passed on the following information he received from Danny Siegel about the Haiti Clinic - an effort chaired by Dennis' brother, Dr. Neil Heskel: The Haiti Clinic (a registered 501(c)(3) non-profit organization) is a small clinic outside of Port Au Prince run by all-volunteer medical professionals, with the help of other volunteers. If you are considering providing medical relief, the website explains everything you need to know - www.haiticlinic.org. Monetary donations may also be made via the clinic's website. 100% of all funds go for the intended purpose.

The Clinton Bush Haiti Fund is working to provide immediate relief and long-term support to earthquake survivors - <http://clintonbushhaitifund.org/>. Their hope is to channel the collective goodwill around the globe to help the people of Haiti rebuild their cities, their neighborhoods, and their families.
